

# ECC Third In JC Water Polo Play

After being downed by Fullerton JC, El Camino roared back to beat Los Angeles City College 9 to 8 and capture third place in the Southern California Junior College water polo playoffs at Orange Coast last week.

The match with LACC was a thriller all the way with both teams battling for the lead. In a previous match with City College this year, the Warriors were beaten 9-4, thus giving this contest a two-fold purpose — revenge and the consolation spot in the playoffs.

George Allen and Bob Zehntner led Warrior scoring with four goals apiece, while high scoring honors went to Crossett of LACC, who hit for five tallies.

Against the strong Fullerton team, which finished second in the playoffs, the match wasn't quite as close, Fullerton finishing on top 12-6. Zehntner again led the Warriors with four tallies while Chapman of Fullerton made seven.

The Warriors were struck by misfortune in the first match as they drew the Long Beach JC Vikings as opponents. Winners of the Metropolitan Conference and one of the strongest teams in Southern California, the Vikings rolled over the Warriors by a 20-6 count.

# VANDERVORT, ROWE TOP GRID CONTEST

Dan Vandervort captured first place in passing test by accuracy and Breal Rowe took top honors in punting to head up a football skills contest last Friday at McMaster Park.

Young Vandervort was followed in the passing test by Sam Cordova, second; and Don Stewart, third.

Larry Elgersma was second and Cordova third in the punting competition. Rowe's winning boot measured 34 yards.
